Services for graduates

A. Embassy Legalization

Pebble Hills University degree can be notarized, authenticated and apostilled by the Government and hence will be accepted by country as per Hague Convention.

Embassy Legalization is a process wherein documents issued in one country are authenticated by the issuing country authorities such that the document is deemed legitimate for use abroad . It serves as evidence that the document was issued by the person(s) claiming to execute the document, on the date, and place of execution. A competent official certifies this document to be authentic for international use. i.e. proof that the document is genuine and not fraudulent.

Documents sent to member nations, completed with an Apostille at the state level, may be submitted directly to the member nation without further action.

1. Notarization
2. Secretary of State level authentication
3. U.S. Dept of State level national authentication
4. Embassy Legalization

Please contact us at admin@pebblehills.edu if you would like to apply for the above services.

B. Evaluation of Foreign Education Credentials

Pebble Hills University degrees can be attested as equivalent to US regionally accredited degrees and Royal Charter accredited degree, considered to the highest form of accreditation in the world by agencies.

An evaluation report is an individualized, written report describing each certificate, diploma or degree you have earned in a foreign country while specifying its U.S. equivalent.

The Course-by-Course Evaluation is utilized when applying for employment, further education, certification and licensure to support an immigration application. The evaluation begins with all of the services that the General Statement Evaluation provides, and includes a breakdown of all courses, credits and grades.

The above service will be provided by third party agencies, please contact us at admin@pebblehills.edu for referral.
